Honorable Robert E. Gerber
United States Bankruptcy Judge
Alexander Hamilton Custom House
One Bowling Green, Room 621
New York, New York 10004-1408

Dear Judge Gerber

Helen and I say Yes
to the new 5% amendment on the New GM
Common Stock. Even tho the Court and Others think
of us as "little Complainers" We propose the
Court change the Motor Liquidation Co. Stock (old
GM Common) at a ratio of 10-1 into New GM
Common Stock "B" with a value of $\frac{1}{10}^{\text{th}}$ of the book
value of New GM Common Stock. The New GM
Company is still supported by your and our
Tax dollars. When and if the New GM pays
a dividend they pay $\frac{1}{10}$ dividend to the "B"
stockholders - as such adding more value to the
New GM Co. The "B" stock is subject to the
new amendment also.

Thank You for your consideration.

Sincerely Your

Edwin O. & Helen P. Doty
